

S-TYPE

JAGUAR

## A UNIQUE APPEAL

S-TYPE

The Jaguar name instils passion and desire around the world. It stands for distinctive design that is instantly recognised yet continuously evolving. It promises a development through motor sport, with urgent performance that makes a Jaguar feel alive.

To own a Jaguar is to experience a unique spirit.  
To drive a Jaguar is an ambition fulfilled.

## THE NEW S-TYPE RANGE

S-TYPE

Already the most distinguished car in its class, the S-TYPE has been restyled and significantly enhanced. Its distinctive, smoothly flowing lines now create a purer, sleeker shape. The S-TYPE is not only beautiful, but also technically advanced. Amongst their extensive specification, all models offer Dynamic Stability Control and an Electronic Park Brake as standard.

An even wider choice of power units extends the S-TYPE's appeal as the preferred choice for the individual. The range of engines now includes a remarkable 2.7 V6 twin turbo diesel with exceptional torque output and culminates in the sensational supercharged 4.2 litre V8. With the S-TYPE, innovative engineering produces thrilling results.

## IMPORTANT NOTICE

Jaguar Cars Limited is constantly seeking ways to improve the specification, design and production of its vehicles and alterations take place continually. Whilst every effort is made to produce up-to-date literature, this brochure should not be regarded as an infallible guide to current specifications, nor does it constitute an offer for the sale of any particular vehicle. Distributors and dealers are not agents of Jaguar Cars Limited by any express or implied undertaking or representation.

## ENVIRONMENTAL NOTICE

Jaguar Cars Limited has a vision of being amongst the world's leading companies in demonstrating progress towards sustainability. We aim to do this by contributing to a better quality of life for communities affected by the design, manufacture, use and disposal of Jaguar cars. We believe that playing a supportive role in the communities in which we operate is a privilege, not an obligation. Corporate citizenship goes to the very heart of our company.

It is Jaguar's policy continually to improve its high environmental standards in all areas of business activity.

## PRICE AND SPECIFICATION

All prices are based on manufacturer's recommended prices. List Prices apply throughout Great Britain, Northern Ireland, the Channel Islands and the Isle of Man. "On the road prices" are included for the benefit of purchasers in Great Britain and Northern Ireland only and are calculated using Retail Prices from this price list and adding 12 months Vehicle Excise Duty, delivery to the Jaguar Dealer premises, first registration fee and an estimated price for number plates and a full tank of fuel. P11D price represents the taxable amount company car drivers will pay tax on. P11D price is calculated using the On The Road price and deducting the government levied charges: first registration fee\* (£38) and Road Fund Licence\* - amount varies in accordance with the vehicle fuel type and CO<sub>2</sub> emissions (see table shown). Prices and specifications are subject to change without notice. Factory fitted options indicated on the original order will be supplied at extra cost. The prices are applicable to vehicles sold for permanent use in the UK.

Band	CO <sub>2</sub> Emissions	Petrol Engines (£)	Diesel Engines (£)
AA	up to 120 g/km	75	85
A	121-150 g/km	105	115
B	151-165 g/km	125	135
C	166-185 g/km	145	155
D	over 185 g/km	160	165

\*First registration fee and road fund licence subject to statutory changes
